### PERSONAL PROJECTS

#### **GroveMade Desk Collection**

<http://amyhwang.myshopify.com>

Grovemade Desk Collection is a redesigned site specifically for the grovemade.com desk collection, focusing on ergonomics and function.

The website was created with Shopify, Liquid, SCSS, JavaScript, jQuery, and Bootstrap.

#### **Arctic Wild**

<https://amy1hwang.github.io/arctic-wild/>

Arctic Wild was created as an independent project to replicate the homepage of the actual Arctic Wild website.

The website was created with HTML, SCSS, JavaScript, and jQuery
